3. Mission, vision and ambition

Our mission

Haqqani Ocean of Love Foundation. Its purpose is to provide relief to people living in poverty especially orphans, as well to promote physical, mental and spiritual well-being among people around the globe. The mission of our foundation is to provide financial/material support to those in need.

Our vision

As a foundation, we are committed to the well-being of every individual. We do this, among other things, by:

- setting up donation and sponsor actions on our website
- writing to entrepreneurs and companies with the request to support us

Our ambition

The mission and ambition of the foundation is to give as many people better life as possible and to realize this worldwide.

Short term ambition

We start by making ourselves visible and becoming known in public. Our first focus: to show the world what we do and give people the opportunity to support our case through among other things voluntary donations.

4. Goal

Goal

We strive to give people more quality of life and make them more comfortable on this earth.

Goal initiative

To offer a person full position within contemporary society, by asking society to donate. To be spent on activities or resources of which the costs cannot be covered sufficiently from general social provisions, grants or personal contributions of residents.

Reach goal

We try to achieve our goal by setting up 'sponsor projects'. To ask society to support our case by donations. In this way, with unconditional love and togetherness, to help each other in life is finally the ultimate goal.

5. Asset management

Activities board

Activities

The following activities are carried out under the responsibility of the board:

- Setting up and supervising donation projects
- Selecting destination purposes

Finance

The board is responsible for a sound financial policy. The tasks involved include:

- Draw up an annual budget
- Annually adopt and approve annual accounts
- Managing the funds
- Spending the funds and creating facilities

Remuneration of board members

The board members receive no remuneration for their board activities.

6. Spending of capital

The capital is spent in accordance with the objectives the foundation.

- The foundation's income is primarily used to offset expenses
- In the second place, the income of the foundation can be used to support other foundations or initiatives that have a similar objective to the own foundation
- The foundation does not aim to make a profit. Although it is important to maintain a healthy buffer to absorb disappointing income. In addition, this is reserved to develop and set up new activities
